

North Cobb Bass Team – Member requirements

1. Be a student in good standing and a current student at North Cobb and must pass 3 classes in the previous semester and pass all classes required for grade promotion.
2. Teams will sign up in pairs. Each team must have access to a boat with working live wells and a kill switch. No minimum limits on horse power or type of boat. All team members will furnish their own equipment including lures, rods, line, etc.
3. Each member must provide \$175 dollar fee. This fee will cover your team Jersey, registration in S.A.F., and awards. Make checks payable to North Cobb High School.
4. Each member is required to bring in a minimum \$150 sponsorship. Sponsor monies will be used to cover entry into the GHSF tournament series on Lanier. Sponsors will have their logo on our jersey for all North Cobb tournaments for the 2017-2018 seasons – see sponsorship form. Any sponsorship earned over \$150 will be used to offset the \$175 member fee. Any monies earned above the \$325 combined sponsorship minimum and member fee will be applied to tournament entries outside of the GHSF series (i.e. BASS Nation, etc.).
5. Each team will provide the boat captain with \$60 (\$30 per person) per tournament to help with gas. You must come prepared with the \$60 for the captain at the BEGINNING of the tournament and offer to pay the captain in the morning. Some captains may choose to waive this fee. CAPTAINS SHOULD NOT HAVE TO ASK FOR THIS MONEY.

6. Members must fish at least two tournaments a year and attend meetings regularly.

7. Complete all paper work and forms.
